November 29, 2023

Dear Patients;

It saddens me to announce that I will be leaving as your dental hygienist at Potrykus Family Dentistry-Three Lakes on December 20th, 2023 as I will be taking a full-time teaching position with Northcentral Technical College dental hygiene program.

I have had such the great privilege working with you, my patients and the entire team at Potrykus Family Dentistry that it made the decision to leave a difficult one. I have loved getting to know all of you and hear your stories of family, travels and so many other large and small events in your lives. Thank you for sharing the celebrations with me and allowing for the gracious hugs in times of sadness. All the memories, I will hold them close to my heart and you will not be forgotten by me.

I know that Dr Jason & Dr Neal are working diligently to fill my position as quickly as possible and I hope that you will be patient while they work through the interviewing and hiring process to find the perfect fit for Potrykus Family Dentistry's loyal patients like you.

Jacque and the rest of the front office staff will be working just as hard to adjust and make changes to the schedules and to secure temporary coverage when possible to ensure your dental needs are addressed as quickly and routinely as possible until a permanent replacement can be found. Rest assured you will not be forgotten and they will be working hard to address gaps between coverage and your dental needs as quickly as possible; please be patient and understanding with them during this process.

This is bittersweet but as I am closing one chapter here at Potrykus Family Dentistry, I look forward to new adventures with my family as we start a new chapter in our lives together and maybe even teaching your new/future dental hygienist. Thank you for all the love and support through the years! Please rest assured that you'll always be in good hands and care with Potrykus Family Dentistry.

Sincerely,

Tanya Ponik, RDH
